

Directions for Mini Wine Bottle Holder

- Cut card stock 7 1/8" x 7 1/8" square.
- Score at 1 3/8" and 5 3/4".
- Turn card stock 90 degrees.
- Score at 1 1/8", 2 1/4", 3 3/8", 4 1/2", 5 5/8", and 6 3/4".
- Cut tabs using the Gift Bag Punch Board lining up each of the 6 score lines above with the "starting line" and punch. Do this again on the opposite side.
- Trim off the 2 tiny, partial flaps.
- Cut 6 strips of Designer Series Paper 4" x 7/8" and adhere to each of the 6 rectangles on the card stock.
- Place a strip of white Tear Tape on the small flap.
- Fold on all score lines.
- Punch holes in round tabs on one end only.
- Form tube by removing Tear Tape backing and adhering end rectangle on top of narrow flap. This is easiest to do with your card stock laying flat.
- Punch 1 3/4" circle from card stock.
- Insert bottle and fold bottom tabs down one over the other.
- Glue or tape circle to bottom. Set upright for glue to set.
- Thread 2' piece of lace, ribbon, or twine through holes from top of each round tab. Tie bow.
- Add stamped and punched message if you prefer.
